

# DREAM... CREATE... DELIVER!

That's our Motto!

.....

Event management is a skill possessed by a few. We are a one of its kind event management company dedicated to providing our customers with creative solutions, strategic planning, flawless production and execution of their event within the budget they have in mind.

We take pride in managing your events with a team of experienced people brimming with energy, dedication and passion for what

we do. We pay precise attention to detail and have a keen eye for aesthetics. We spend countless

hours on planning and we put ourselves in our customers shoes to deliver the best solution. We also believe in constantly improving ourselves by bringing our innovation to create uniqueness in each of our events.

# The Dream

Dr. Preeti Sharma  
Founder & CEO

Preeti has diverse experience in healthcare industry areas with multi-faceted roles as a physician, entrepreneur and medical consultant. With a strong industry knowledge of current pharmaceutical trends, products and services, she provides holistic solutions to organizations.

Preeti has gained experience in medicine and marketing with a purpose to integrate latest medical knowledge with efficient management. Her passion however lies in event management and hopes to pursue her interests focusing on organizing and managing events, marketing and front ending medical and corporate events.

Preeti is a regular speaker at numerous medical conferences and the author of multiple technical papers & presentations.

# The Promise

The services provided by my company would be for Event Planning, Event Marketing, Event Management and Post Event Marketing Follow ups, Theme Designing, Public Relations Activities, Media Campaigns and Promotional Activities.

While organising the multitude of events, we cater end to end services from Venue Selection, Marketing and Designing the Theme and Concept of the Event, Manpower Recruitment for Conferences, Online Registration and Communication, Scheduling and Assistance for the Delegates, Gifting, Stage & Audio-Visual Arrangement, Entertainment Management with full IT Support and Arranging Guided Tours for Delegates and Hotel Reservations together with the Food & Beverages Arrangements.

Once the "Good Witch" is on the job,  
her magic will leave you spellbound

All you have to do now, is...

## Sit Back & Enjoy!
